FOR MYSORE STATE

GOVERNMENT OF MADRAS

express

Copy of letter No.6/1/53-FII dated New Delhi, the 6th February 1953 from the Government of India, Ministry of Information and Broadcasting to the Chief Secretaries to the Governments of all Part A and B States and Chief Commissioners of the remaining Part C and Part D States.

Reference new rule 27B of Cinematograph (Censorship) Rules, 1951, included in S.R.O. 143 published in section 3 of the Part II of the Gazette of India dated 17th January 1953 which lays down that certificates granted to films shall be valid for five years. The rule covers all past certificates granted by former State Boards of Film Censors. Associations of industry have represented that a number of films for which certificates were granted are still in circulation; immediate submission thereof for re-certification to Central Board of Film Censors will be dislocate distribution arrangements. It has been decided to give time up to 31st May, 1953 to producers/distributors to obtain fresh certificates for such films. An order is therefore being issued under section 9 of the Cinematograph Act 1952 exempting exhibition of such films from the operation of rule 27B of the Cinematograph (Censorship) rules.

ORDER:

In exercise of the powers conferred by Section 9 of the Cinematograph Act, 1952 (XXXVII of 1952), the Central Government hereby exempts up to the 31st May, 1953, from the operation of rule 27B of the Cinematograph (Censorship) Rules, 1951 the exhibition of films certificates in respect of which were granted more than five years prior to the date of such exhibition.
